

C A S A M I A

To Our Valued Patrons,

Cleanliness has always been a top priority at Casa Mia, now more than ever. We are closely following recommendations from local health officials, the CDC and WHO to ensure the safety of our customers.

To play our part in keeping the community safe we are:

- Re-training our staff in extra hygiene and food-handling precautions
- Offering CURBSIDE PICK-UP & FREE DELIVERY to Jupiter, Tequesta, Palm Beach Gardens & surrounding areas (call Casa Mia directly at 561-972-6885)
- Adding sanitizing stations for customers
- Paying extra attention to high traffic items like menus, chairs, door handles, etc.
- Removing salt & pepper shakers and replacing them with packets by request
- Offering a spacious indoor seating plan by seating every other table and outdoor patio dining
- Rolling up silverware in napkins to reduce potential exposure

Thank you for your business and support over the years,
Stefano Paggetti
